

Weekly Bulletin

Term 2 Week 4: Friday 31st January 2020

www.carlton-in-snaith.n-yorks.sch.uk

Welcome to our weekly newsletter.

There has been a lovely geographical feel around school these past few weeks as we enjoy our 'What a Wonderful World' theme – where geography is the driving lead subject. Many classes are currently immersed in map work, whether focussed on our school itself, our local community or further afar. Derwent class have also been enjoying tasting, practising skills and then making their own soup – the smells drifting around school were beautiful on Wednesday! I have been very impressed by the mature work ethic and efforts of our Year 6 Trent children when I visited them this week.

Mrs Scrafton (School Business Manager) and I have been doing a lot of planning regarding next financial year, and the next school year ahead. We are pleased that early indications are that we will be having a good-sized Reception cohort joining us in September 2020. All of the new homes at Carlton Green are now sold, I understand and one look at the sudden progress in the second phase of development next door at the Hawthorns shows that we will soon be having more families arriving in the village over the coming months and hopefully coming to our school.

Next week and beyond:

- A reminder that if you have signed up for a school-led, after-school, extracurricular club that these start next week
- We are very much looking forward to seeing what Miss Watling's Calder class have been up to when they have their learning assembly on Wednesday 5th February. We look forward to welcoming any Calder parents who can attend the assembly and also warmly invite those who can to stay for some further learning activities that morning. As you may know, each class has the opportunity once a year to share their learning with the rest of the school and to parents/family members.
- We have also agreed that our Year 6 children will work with other local schools supporting the local community Dementia Awareness event 'All you need is love' at Drax Club on Thursday 13th February. Like last year, we are working with Reverend Becky Alright for this lovely event where the Year 6 pupils will be singing a song or two.

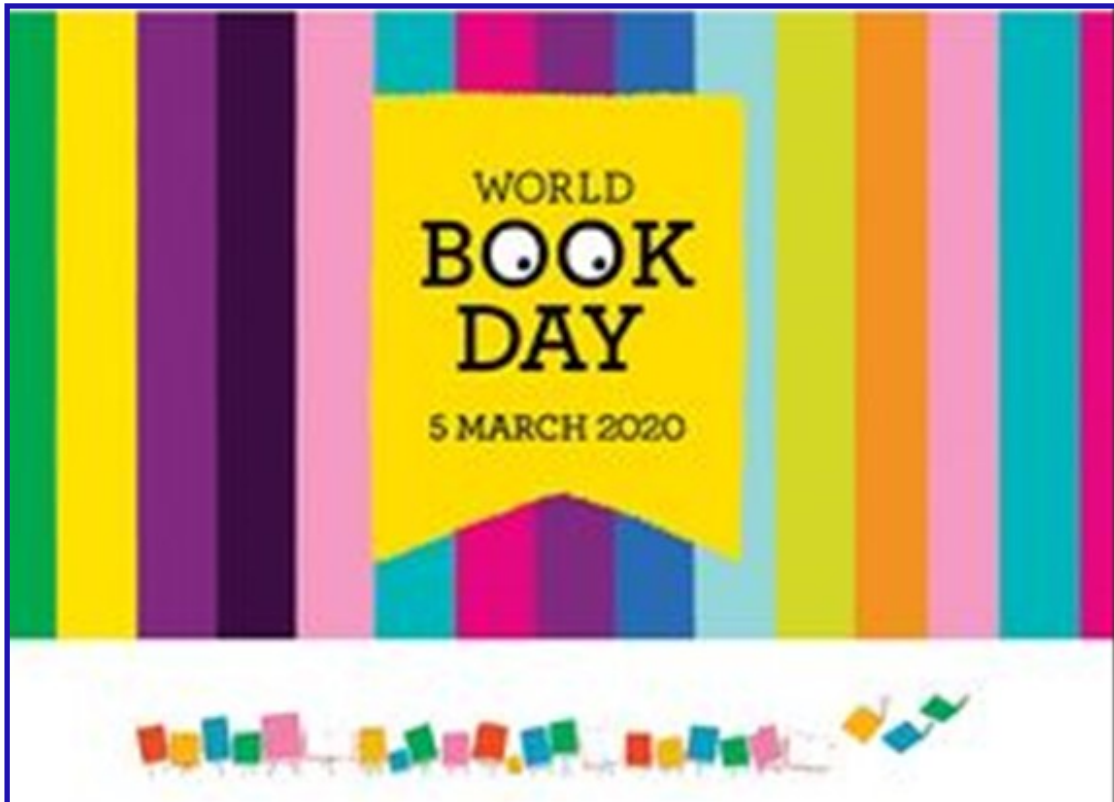

Have a safe and happy weekend.

Best wishes

Jon Watson

Headteacher

Developing lively, inquiring and creative minds

World Book Day will soon be upon.

As usual we are asking the children to dress up as a book character on that day. Our theme this year is

TWISTED FAIRY TALES.

The children do not have to dress up to match this theme but we will be looking at these sorts of books across school during that week. **If you are free on this day we will have the traditional fancy dress parade at 2pm plus there will be opportunities to come and read with the children either on Monday 2nd at 2.15 or Wednesday 4th March at 9.00**

Let's celebrate books together!

L I V E L Y V I N Q U I R I N G & C R E A T I V E M I N D S

<h2>AIRE</h2>		<p>This week in Geography we have been looking at how we can create maps and plans by looking down on things. We talked about ariel photographs and how places looked from above. We created our own plans of the classroom and then looked at lots of images of places and discussed what we could see. We looked at Scarborough Castle, York, Middlesbrough football stadium and then photographs and videos taken above Carlton. We are hoping today (weather permitting) that we get a visit from the person who took the photographs, and hope to see how he took them using his drone.</p>
<h2>CALDER</h2>		<p>This week we have been practising our newly learnt map reading skills. We followed a key and map of the school to find hidden letters which spelled out a secret word! We all really enjoyed exploring and the activity has shown us the importance of an accurate key and map. Well done Calder Class for another super week!</p>
<h2>DERWENT</h2>		<p>What a busy week we have had in Derwent Class! On Tuesday we went for a walk around Carlton as part of our Geography work. The children were able to follow routes on a map to various destinations. Lots of them discovered places in Carlton they never knew about before. Then on Wednesday vegetable soup was on the menu in DT. I was really impressed with the careful way the children washed, peeled, cut and cooked the vegetables. Hope you all enjoyed it!</p>
<h2>HUMBER</h2>		<p>We have had a busy week once again in Humber class. Year 4 have been working hard in maths learning how to calculate the area of rectilinear shapes and creating some very strange shapes, whilst year 3 have been working hard to measure and compare capacity. We have all transformed into paperclips this week to write our diary entries from a different perspective, we've had lots of fun thinking about the thoughts and feelings of a paperclip! We thought very hard about what it was like to be the same as everyone else by thinking about Huey's new jumper. We decided that it was important for us all to be different in our own way!</p>
<h2>OUSE</h2>		<p>This week in our dance lesson we progressed onto creating a dance motif in a small group. It was lovely to see the children working so well together and listening to each others ideas. In music this week, the children have started to learn a song ready to perform in our learning assembly after half term. It sounded great!</p>
<h2>TRENT</h2>		<p>Art skills have been on the agenda for Trent Class this half term. The children have been considering which famous landmark from their chosen continent they would like to portray using the line skills they have been practising. Once they have completed their sketch, they will be applying further skills, using a different medium, to transfer it into a picture worthy of an art gallery! We aim to display a visual global delight for all to enjoy and wonder at!</p>

Diary Dates 2019 Term 2

February 2020

Wednesday 5th	Calder Class Learning Party
Tuesday 11th	Safer Internet Day - assembly
Friday 14th	Non-uniform day
Friday 14th	Musical Special Mentions Assembly at 2.15pm
