

Weekly Bulletin

Term 1 Week 7: Friday 18th October 2019

www.carlton-in-snaith.n-yorks.sch.uk

This week:

Another busy and enjoyable week at Carlton in Snaith CPS. As I finish writing this newsletter, all of the children and staff in school are taking part in our **Aspirations 'Big Me' day**, having come into school dressed in appropriate attire for a job they may wish to have in the future. We have already had our Big Me assembly when we had special guests who all had a range of interesting jobs and we tried to guess what they were in advance of seeing them 'dressed' for their role!

We want all children to aspire to achieve a job they are excited and proud to have! This is the first of many aspirations days we have planned! We hope the children can talk about it with you and that they have enjoyed the experience. Thanks for your support with the clothing/costumes/accessories.

Tonight is also our **Bingo night** – a fundraiser for our whole school trip to the pantomime. Doors open at 6.30pm and eyes down at 7.00pm. It would be great to see you supporting the event that will have a direct benefit to all children in school.

We loved having Mary and the team from King's Church Selby in assembly on Monday this week.

Looking back at last week:

- Last Friday we enjoyed our Harvest festival on Friday and our produce sale after school. I am delighted to inform you that we raised **£125.36** from your wonderful donated foodstuff. Thank you for your generosity of donations and purchases alike. All of this money will directly go to the older members of our community at Christmas time. Thanks for your support.
- Last Sunday (13th October 2019) was the Carlton Apple and Scarecrow festival. We were delighted to contribute to this lovely community event. Despite the terrible rain, it was lovely to see people still getting out there on the scarecrow trail around the village. We were pleased to contribute an amazing 14 scarecrows to the event – all tied in to the jobs theme and links perfectly to our Big Me day today. We had a range of scarecrows from a rugby player to a chef, from schoolchildren and teacher to engineers. A great team effort! This will feature in this week's Selby and Goole Times and within our next school celebration newsletter.

Staff: We continue to wish Mrs Longfield a full and speedy recovery. A big thank you to the ever-supportive pair of Mrs Short and Miss Johnson who have taught Year 5 Ouse class this week. Well wishes to Mrs Stones and Mrs Scafton too who have also been absent at the back of this week. We hope you get well soon! We are expecting a full team next week!

Important information:

- On Monday, we are having our free recycled clean uniform give away from 2.45pm
- A reminder that **School is closed for children next Friday (25th October)** for staff training.
- **Sickness** – a reminder that anyone suffering from sickness and/or diarrhoea should be absent from school for 48 hours after their last episode.
- This week I have begun talking to the children of our school about **Run Hide and Tell**, procedures for practising keeping everyone safe in school in case of an emergency. I spoke with Mrs Burton's Derwent class and we enjoyed sharing and discussing the brilliant 'Moggy is Coming' text that help to explain to children all about the importance of rehearsing how to be safe. It shares the brilliant slogan of 'You don't need to be scared if you are prepared'. Over the next few school weeks, I will be talking to each class about the Run Hide and Tell approach, and then we will begin practising an evacuation procedure, as well as our usual fire alarm/ evacuation procedure. If you have any questions about this then please approach me or any of the staff team.

Important information continued:

- **Open days:** If you know someone who has a child due to start reception next September please encourage them to get in touch to arrange to attend one of our scheduled open days – we would love to show them around our school. Similarly, if you know someone moving into the area or who lives close by, please encourage them get in touch with us. Our first 'open session' is on Monday, by appointment only.
- Please do support Friends of school by taking up the 'easy funding raising' link for any online shopping you do. Please refer to the parent mail earlier in the week.
- **Reminder re punctuality!** Please support a positive start to the day of the children by being on time in the morning. In the last week or two, this has dropped a little and when children are late, it can sometimes make the start of the day more challenging for them. Doors open every day 8.50am. Lessons begin at 9.00 am. Your support in helping with this is much appreciated.

Have a great weekend. Thanks for your taking the time to read this newsletter and for your support of school.

Kind regards

Jon Watson

Headteacher

Will your school win £20,000?

Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit! Collect a sticker with every £30 spent in store and fill up your school's poster for a chance to win.

Please can you help us by collecting and sending in any stickers you receive after shopping at Aldi.

THIS HALF TERM WE'RE GOING ON A BEAR HUNT WITH FOREST CHURCH AND YOU ARE INVITED!

We're Going on a Bear Hunt

Michael Rosen Helen Oxenbury

- Wednesday 30th October 10-12 at the Lakeside in Carlton Towers
- Meet us at 9.30 to start the adventure from Carlton Methodist Church.
- Parking available at the Lakeside (potentially muddy)
- Refreshments available but no loo!
- If weather is truly awful we will cancel but otherwise will be outside so waterproof clothing is required!
- Let one of us know if you are coming via Facebook or text Rev Becky on 07984742269

Directions: To get to the Forest Church gathering walk or drive towards Carlton Towers House and turn right where it says 'Lakeside'. Follow the track until you see the 'bus stop' pictured here:

We will be there! Access is specifically for this event and not a general invitation from Carlton Towers to access this part of the estate.

We will be accessing small wooded and open areas here. The focus will be on exploring nature and a Christian interpretation of the bears and beasts hiding in the woods. It's a joint adventure with Carlton Methodists, parish church and Roman Catholic hosts. For more information on 'Forest Church' go to http://www.mysticchrist.co.uk/forest_church

Christmas Holidays

23rd December to 3rd January 2020 - school closed

January 2020

Monday 6 th	Staff training day
Tuesday 7 th	Children return to school

L I V E L Y I N Q U I R I N G & C R E A T I V E M I N D S

D E V E L O P I N G

<h3>AIRE</h3>		<p>In Aire class this week we saw the arrival of our Message Centre. Here children can discover and write secret messages to other people! One of our fantastic year one children was the first to discover the centre and his enthusiasm was infectious! We soon had a group of year ones writing secret messages with a team of spies creeping around the classroom looking for, and hiding secret messages. I wonder what will happen next?</p>
<h3>CALDER</h3>		<p>This week in science we have had great fun making sensory boards and bottles. We have been thinking about our bodies and how we use our senses this half term. Mrs Pearce came into our class to ask us if we may help her with something as she was looking for some sensory toys for the toddler group. We talked about how the toys must be safe and appeal to the senses. We made some lovely toys and had great fun!</p>
<h3>DERWENT</h3>		<p>Derwent Class have been enjoying their Maths this week. We have been using number facts to help us to work out other calculations. The children particularly enjoyed playing "Hit the Button" finding the facts that add together to make different numbers. Derwent are so good at collaborating on the computers and supporting each other to work out answers.</p>
<h3>HUMBER</h3>		<p>In Humber class this week we have been learning about the houses of parliament, we even held our own debate about whether we should still have break times. The children collaborated well in their teams to discuss points for and against before debating their ideas in the Humber house of commons. Thankfully, after much debate the final decision was for the children to continue to have their break times.</p>
<h3>OUSE</h3>		<p>In Ouse class this week we have been stargazing. We have learned about how stars are formed, why they twinkle and what happens to them when they die. We have also looked at the different star constellations and created our very own constellation chart using metallic pens and sequins. We have lots of budding astronomers in our class!</p>
<h3>TRENT</h3>		<p>The variations in bird's beaks were studied as part of our evolution session this week in Trent Class. After exploring the different types of beak and the variety of ways in which birds implement this tool, the children focused on how it is used for feeding, according to the species. Then they put their findings into practise and experienced the challenges at first hand that birds face along with the consequences of not adapting to the environment! A couple of our species had very empty stomachs!</p>

CARLTON IN SNAITH COMMUNITY PRIMARY SCHOOL — MENU FOR AUTUMN TERM 2019
