

Weekly Bulletin

Term 1 Week 2: Friday 13th September 2019

www.carlton-in-snaith.n-yorks.sch.uk

Welcome to our weekly bulletin.

This week I have really enjoyed soaking up the positive atmosphere in school. A huge well done and thank you to all of the pupils and staff for a great start to term in general. I am also delighted to see how well our younger new pupils in Aire class have started life at Carlton.

The tweaks to our Positive behaviour management, that I shared last week, have been successful so far. Although still early days more and more children are demonstrating consistently good/'gold' behaviour' across school.

As always, a big thank you too, for your positive support of our school. Thanks for your efforts in helping make sure that children are arriving on time, are well prepared and ready to learn. This really does help the day start positively.

'Big Me' – please see the attached letter from Mrs Burton re our planned dress up day on the **18th October**.

I am also extremely interested in having a range of visitors in school as part of this day and we would like help from you in facilitating this. Ideally we want some people (preferably not known by lots of the children) who do 'interesting' jobs, to come into school and be part of our first aspirations 'Big Me' assembly, where we will show case some possible jobs children may pursue in the future. It would be great if we could have a range of professions represented. Ideally, we would have 6-10 visitors, some who perhaps wear a uniform for their job, to take part. This would be for approximately an hour at the start of the school day on **Friday 18th October**. If you would like to find out more please speak to Mrs Burton or me about it.

General reminders

- Thanks to all of the parents who regularly keep your parent pay accounts (for lunches and wrap around care) updated. This is much appreciated.
- Club letters will be with you next week for our internally run afterschool clubs
- Friends of Carlton are having their AGM meeting on Thursday 3/10/2019 at 3.20 in our Community Hub – please see Mrs Pemberton, Mrs Pierce or any of the Friends' team for more information.
- We will once again be taking part in the Carlton Village Scarecrow festival this year (Sunday 13th October) – the 'jobs' theme fits in superbly with our Big Me focus. Why not get involved at home too!

- **Marvellous Me** – Thank you for signing up to the free ‘Marvellous me’ app. We hope you are enjoying having the positive messages! If you haven’t done so yet, please sign up using your unique code that was sent home. Any issues please see the office staff for help or a new code!

Have a great weekend!

Regards and best wishes

Jon Watson, Head teacher

Change lives. For good.
act:onaid

Dear Parents and Guardians,

On **Friday 18th October** we will be joining schools across the UK and taking part in Big Me for the charity ActionAid!

Big Me is a day for your child to come to school dressed as what they want to be when they grow up. They will spend time exploring their hopes and dreams and get to meet a range of people who will tell them a little about their lives, all whilst raising money to help children in the world's poorest places.

ActionAid is an international charity that works with women and girls living in poverty. Their dedicated local staff are ending violence against women and girls and helping change lives, for good. They won't stop until women and girls are out of danger, out of poverty and on track to create the future they want.

Please help your child take part in Big Me day by doing the following:

- 1) **Help your child choose what to wear on the day.** This doesn't have to be bought and we are not expecting you to spend a long time on this. For example, it could be something as simple as an apron (for future chefs), a hairbrush prop (for future hairdressers) or a name badge (for future teachers!).
- 2) **Send your child to school with a £1 donation for ActionAid.** This donation could help a child go to school for two weeks. Any more change you can spare is greatly appreciated.

We're really excited about our pupils dressing up and dreaming big on Big Me day! If you'd like to know more or have any concerns, please contact your class teacher or myself. You can find out more about ActionAid and Big Me at actionaid.org.uk/big-me.

Many thanks,

Mrs Burton

Diary Dates

2019 Term 1

September

Monday 2 nd	School Staff Training and Development day
Tuesday 3 rd	Pupils return to school
Wednesday 4 th	Reception first new intake start school
Thursday 5 th	Reception second new intake start school

	Break up for Christmas

Christmas Holidays

23rd December to 3rd January 2020 - school closed

January 2020

Monday 6 th	Staff training day
Tuesday 7 th	Children return to school

LIVELY INQUIRING & CREATIVE MINDS, DEVELOPING POSITIVE LEARNING

<h2>AIRE</h2>		<p>Our new Reception children are fully settled into Aire class now, and we have had a wonderful time getting to know them by looking at their chatterboxes. A big thank you to all the parents who not only spent a lot of time putting them together but also talking about them with their children. The children were so excited to share them with us and could talk at length about their families and what is special to them. Our year one children have made an excellent start to year one and have really impressed us with their attitude towards their learning.</p>
<h2>CALDER</h2>		<p>In Calder Class, we have been working really hard on our topic 'This is Me!' We have been creating computer images which reflect the individual styles of different artists in a lead up to expressing our own individuality through computer art. We have also been working on our autobiographical writing, here we are putting everyday tasks into chronological order to help us understand how our life events should be ordered by time.</p>
<h2>DERWENT</h2>		<p>Derwent Class have been working really hard in Maths this week. We have been making numbers using different resources then comparing them to see which is "greater than" or "less than". Year 2 have been working confidently up to 100 and the Year 3s have been using numbers up to 1000! The children have particularly enjoyed problem solving, trying to work out which number will fit. Great work Derwent Class. Keep it up!</p>
<h2>HUMBER</h2>		<p>We have been trying really hard in Humber class this week to work collaboratively. We have been helping each other across all subjects, especially in Maths. We enjoyed working out how to crack codes in Computing, we quickly realised that we work much better when we work together.</p>
<h2>OUSE</h2>		<p>Ouse Class have started looking at the articles from the UNICEF Convention of the Rights of the Child. They worked in pairs to discuss and then decide which articles they would like to put forward for their Class Charter.</p>
<h2>TRENT</h2>		<p>The children are working hard on recognising how an author develops characters through actions and dialogue. They have taken on the roles of the characters in our class novel to try and gain a deeper understanding of them, especially their emotions. This exercise also gave us the opportunity to revise punctuating speech and to consider how careful use of speech verbs can create the effect the author wants the character to have on the reader.</p>
