

Weekly Bulletin

Term 1 Week 3: Friday 20th September 2019

www.carlton-in-snaith.n-yorks.sch.uk

I am really pleased with the start of term – things continue to run smoothly and successfully. I have enjoyed seeing the children share their love of reading this week when I have been in classes. It is great to see our new team members (both pupils and staff) fitting in so well too.

Stay and Share

Next Friday (27th September), we are holding a '**Stay and Share**' session. Family members are invited into school at 2.15pm to the end of the school day (3.15pm) to take part in an informal and fun lesson. For those of you who have attended learning parties before, this will be a similar kind of hands on practical session. As we are approaching the 'Big Me' focus and local Carlton Scarecrow festival we have decided to theme this 'stay and share' session as our '**Job themed scarecrow making**'.

You can help in many ways:

- Come and help within the session itself – helping the children in class make scarecrows – Friday 27th September at 2.15pm
- By donating newspapers, card boxes to stuff the scarecrows we make
- By providing any old uniforms or suitable accessories for a particular job....eg a stethoscope and lab coat or a builders hat and high-vis vest etc, to decorate our work themed scarecrows. The more varied range of jobs we can make the better!

Your help with this would be really appreciated. Please let your child's class teacher know if you can attend or help provide costumes.

Thanks in advance.

Marvellous Me

Thank you to all of the parents who signed up to **Marvellous Me** app – we hope you are loving receiving the positive messages about your children. We have been using Marvellous me for a year now and I am personally delighted with the way it rewards and promotes positivity. We hope it helps you have conversations about the reasons behind the badges and rewards.

Currently we have 83 % of children in school who have a least one family member signed up. It would be brilliant to increase that number even higher. Who wouldn't want to know about the good things their child, is doing? If you have not already done so, please sign up for the super free app!

Remember the same code can be used by more than one person, so other family members can access the good news too! That means mums, dads and grandparents and other family members can all share in the positivity! If you need a reminder of your code, so other family members join then please let our office staff know.

Clubs

Lots of people have already returned the **clubs letters** that were sent home this week. Your child will be receiving their confirmation letter of places today – please check book bags tonight! Places have been allocated on a first come first served basis. Although some clubs are already full, if you haven't handed in your form please see our school office staff.

Internally run clubs start on Monday 30th September (week 5).

Sex and Relationships

As you may be aware from lots of news coverage, all schools have to teach the new Sex and Relationships education curriculum content by September 2020. Over the next few months, we will be looking at policies and information and will share more with you in due course. I just wanted you to be aware in advance that we will be involving you in some consultation /questionnaires to gain your views. More to follow!

Have a great weekend – enjoy the forecasted sun! Thank you for your continued support of our school.

Kind regards

Jon Watson

Head teacher

Will your school win £20,000?

Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit! Collect a sticker with every £30 spent in store and fill up your school's poster for a chance to win.

Please can you help us by collecting and sending in any stickers you receive after shopping at Aldi.

Thank you,

Carlton in Snaith CPS

Change lives. For good.
act:onaid

Dear Parents and Guardians,

On **Friday 18th October** we will be joining schools across the UK and taking part in Big Me for the charity ActionAid!

Big Me is a day for your child to come to school dressed as what they want to be when they grow up. They will spend time exploring their hopes and dreams and get to meet a range of people who will tell them a little about their lives, all whilst raising money to help children in the world's poorest places.

ActionAid is an international charity that works with women and girls living in poverty. Their dedicated local staff are ending violence against women and girls and helping change lives, for good. They won't stop until women and girls are out of danger, out of poverty and on track to create the future they want.

Please help your child take part in Big Me day by doing the following:

- 1) **Help your child choose what to wear on the day.** This doesn't have to be bought and we are not expecting you to spend a long time on this. For example, it could be something as simple as an apron (for future chefs), a hairbrush prop (for future hairdressers) or a name badge (for future teachers!).
- 2) **Send your child to school with a £1 donation for ActionAid.** This donation could help a child go to school for two weeks. Any more change you can spare is greatly appreciated.

We're really excited about our pupils dressing up and dreaming big on Big Me day! If you'd like to know more or have any concerns, please contact your class teacher or myself. You can find out more about ActionAid and Big Me at actionaid.org.uk/big-me.

Many thanks,

Mrs Burton

Diary Dates 2019 Term 1

September

Friday 20 th	Special Mentions Celebration Assembly (2.15 – 3.15pm)

January 2020

Monday 6 th	Staff training day
Tuesday 7 th	Children return to school

D I V E R S E V I N Q U I R I N G & C R E A T I V E M I N D S

<h2>AIRE</h2>		<p>Aire class have taken advantage of the lovely weather and had a wonderful time exploring the outdoor area this week. Our Reception children have taken their first steps in reading. We have a fantastic set of future engineers, who love to build ramps and bridges. They have even made a bus and a snow plough and taken each other on fantastic journeys! Our Year One children are making brilliant progress with their writing and are making us proud with their fantastic attitude towards their learning.</p>
<h2>CALDER</h2>		<p>We have had so much fun in Calder class this week! We have been sketching, writing, spelling and more! Miss Watling and Mrs Stones are so proud of our beautiful handwriting especially. It is excellent! Here we are doing some maths work- we were comparing numbers to see which number was larger and which was smaller. We were so good at it that some of us even started to compare three digit numbers! Well done Calder Class!</p>
<h2>DERWENT</h2>		<p>What a fantastic time we are having in Derwent Class, learning all about Moi (Me) in our French lessons. The Year 3's are being great mentors to the year 2's, helping them with pronunciation and learning a song called Bonjour, bonjour! You may have heard it? Also during computing, the class have shown a good understanding of following instructions - Algorithms. Well done Derwent Class for showing respect and great collaboration with one another.</p>
<h2>HUMBER</h2>		<p>We've had a very busy week in Humber class. We used a democratic vote to elect our new school council representatives, using our in class voting station. We learnt how important it is and how this was similar to the voted that adults have. We have also learnt about different food choice and how different factors such as religion, health and seasons can change what we eat.</p>
<h2>OUSE</h2>		<p>We've had an exciting week exploring our Solar System. We have created models using polystyrene balls, wooden skewers and marbling inks. We had to think carefully about the order of the planets - using the mnemonic 'My Very Educated Mum Just Served Us Noodles' to help us. We have also learnt about why we have day and night as well as why we have four seasons throughout the year. The children have worked enthusiastically and have made a conscious effort to formulate questions using scientific language.</p>
<h2>TRENT</h2>		<p>Prolonging the cricket fever wave , Trent Class have been playing Kwik Cricket during one of their PE sessions. They have been developing their catching and throwing skills as well as working on their hand-eye co-ordination and batting technique. They have also been considering where best to place fielders according to the batter. The children have realised what a fast paced game it is, which raises the heart rate, thereby improving fitness , and it's fun!</p>
