

Weekly Bulletin

Term 2 Week 3: Friday 24th January 2020

www.carlton-in-snaith.n-yorks.sch.uk

Hello everyone and welcome to our weekly bulletin.

It has been a very enjoyable week in school and I have taken particular pride in the children's attitudes to learning whilst walking around classrooms this week. There is such a calm and purposeful atmosphere around school in general. Well done all!

Communication Survey Feedback

I am delighted to share with you information from our communication survey we ran last term. I am extremely pleased that so many of you find our communication positive and effective and of course useful and informative. Thank you to those members of the community who took the time to complete the online survey. The summary of the results are below for your information:

Question	How do you rate our....	Good	Very good	Excellent	Good or above
1	Marvellous Me	21%	27%	38%	86%
3	Parent Mail	27%	31%	19%	77%
5	Weekly Newsletter	17%	33%	46%	96%
7	Celebration Newsletter	21%	27%	38%	86%
9	Website	27%	31%	19%	77%

Question	How often do you use/read...	Often & Very Regularly
2	Marvellous Me	79%
4	Parent Mail	78%
6	Weekly Newsletter	92%
8	Celebration Newsletter	79%
10	Website	21%

This gives us valuable information to reflect on. Thank you for the feedback!

A next stage of communication development will be the rollout of a new app for parents to use to keep personal details of their child(ren) up to date. This will include phone numbers, addresses, medical information etc. This will really help ensure records are accurate and will be far less cumbersome for both the office staff and yourselves moving forward.

New dates for the dairy:

- We have now arranged a date for **Ouse class' Learning Party - Wednesday 26/2/19**. Mrs Longfield's Year 5 pupils will be sharing what they have been learning about and parents are invited into the assembly at 9.15am. As usual, we invite those adults who can stay to join in with some activities after the assembly too (until approximately 11.00am)
- **Clubs will be starting on the week beginning 3rd February.**

Have a safe and happy weekend. Thank you for your continued interest and support.

Best wishes

Jon Watson

<h2>AIRE</h2>		<p>This week in Aire class we have been looking at China. We have listened to Chinese music, marched and played along to it. We even took it in turns to be the conductor! We have used special Chinese scrolls to write on, where our writing magically vanished. We learnt all about how the New Years in China gain their names and acted out the story using small world. Our home corner is now set in China, where we dress in traditional costumes and enjoy cooking in our wok. We even have an expert in our class who showed us all how to hold and use chopsticks!</p>
<h2>CALDER</h2>		<p>This week, we have been baking in Calder Class! We have been continuing our work about food and how it is produced. Also, we have been learning more about farming and ingredients. Our teddy bear biscuits were delicious!</p>
<h2>DERWENT</h2>		<p>This week, Derwent Class have really started enjoying and understanding their work on fractions. Year 2 have been learning to recognise a half, a quarter and a third. Whilst the Year 3 children have been looking at tenths and moving on to counting in different fractions. The children were not finding this easy last week but they have persevered and now are flying through any problems given to them.</p>
<h2>HUMBER</h2>		<p>We decided to tackle the skillset challenge this week in Humber class which meant that every area of the Carlton skill-set was achieved by at least one member of the class throughout the day. The children have definitely risen to the challenge and have shown many amazing learning behaviours throughout the week. We have really enjoyed working collaboratively in P.E where we have been learning some cheer-leading movements and beginning to put them into our own routines. We have all improved our growth mind-set and resilience in Maths this week where we have become extremely confident with measurements and converting between metres and kilometres, even tackling those horrible word problems! Well done Humber, what a fantastic week! :D</p>
<h2>OUSE</h2>		<p>This week in English we have been writing balanced arguments around the subject of global warming and climate change. I have been so impressed by the hard work and efforts they have put into this piece of work and look forward to sharing it on a display in the near future. It has certainly been very thought provoking. Well done Ouse class— you should all be very proud of your efforts!</p>
<h2>TRENT</h2>		<p>As part of our geography topic, we have been researching continents and oceans, paying particular attention to the physical and human features of the seven continents. In order to achieve a broader knowledge of our wonderful world, the children sorted and researched features covering: images of each continent from space; the countries which make up each continent (except one—ask your child which one it is!); mountains, major rivers and cities; flags and currencies; tourist sites and buildings; as well as indigenous peoples and animals. It was a very busy and informative afternoon which we finished with a delicious taste of Africa, courtesy of 4 super Year 6s and Mrs Smethurst.</p>

Diary Dates 2019 Term 1

January 2020

Friday 31st Special Mentions Assembly at 2.15pm

February 2020

Wednesday 5th Calder Class Learning Party
