## Newsletter

Welcome to the first newsletter of the summer term. I hope you had a great Easter!

It has been lovely welcoming all of the children back to school for this summer term. A warm welcome also to our new pupil and family in Reception/Alps class.

## News:

- Young Voices

I am really proud of all of the Carlton Young Voices Choir. On Friday the 22nd April we took 19 pupils to Sheffield arena to take part in one of the Young Voices 2022 events. It was an incredible day and experience.

The children represented our school in such a positive way at Young Voices 2022. I have thanked them for their excellent behaviour attitudes, energy and efforts – it was a brilliant day. They sang superbly.

Our Selby Educational Trust partner school also joined us too, with 27 pupils from Selby CP being part of the 4000+ pupil choir for this performance.

Sadly, Mrs Sierotko wasn't well enough to join us, but Mrs Smith, Miss Craven and I loved supporting the pupils to take part in this amazing experience. We will be taking part again next year for sure

As well as singing lots of songs that we have been learning, including a Beatles medley, songs from Lion King, a Muppets medley and many more , we had the pleasure of accompanying singers Twinnie (welcome to the Club) and viral youtuber Alfie Shields (Stand by Me) as well as enjoying Urban Striders dancers and world champions Beatbox Collective.

A huge well done to everyone who took part and to all staff who supported this event both on the day and in preparation for it.

We are learning some of the great songs in whole school singing assemblies over the next few weeks.

This week we have enjoyed learning - Sing with your heart' [Sing From Your heart - YouTube](#) \_ I know some people have asked for me to share this link so they can learn it at home!-

- Pupil Numbers and new starters: Over the Easter break we have been notified of our Reception new intake numbers for September 2022. I am delighted to welcome all children and families to our school – whether the child is ‘new to school’ or has older siblings already here.

I now have the pupil numbers to plan the class structure for next year. It is highly likely we will again have 6 classes, with mixed aged classes in upper key stage 2. More details to follow in the next few weeks.

- Premises update: Over the Easter break Pyrenees and Rocky classrooms were decorated and have new display boards up. They look great!
- Clubs: As you already know from parent mails, Doncaster Rovers Monday after school club has already started. Rev Becky’s God Squad also starts next week too. Next week I will be sharing with you the staff run clubs – watch this space!

Pupil news: It is always great to hear about and share what children get up to out of school.

- Doncaster Rovers ! It was great to hear how much Jessica B enjoyed being part of Doncaster Rovers Junior Take over day. Jessica was awarded a role working in a Club Shop as a sales Assistant. She informed me that she really enjoyed the day, especially using the pricing gun and she was lucky that Doncaster even managed a win too!

- Ballet Star! A huge congratulations to Year 5 pupil Beth E, who took part and performed in Coppelia in Bradford for the English Youth Ballet ! What an incredible achievement and experience! Well done Beth!

### Planning ahead:

Please see some important dates below.

This term is always a busy one with lots of events happening. I have included and listed important dates such as National Curriculum test weeks, but have also included provisional dates for other events like Sports day, Summer Production and Transition days below.

May I also bring to your particular attention the planned 'Open Classroom' event on Wednesday 25<sup>th</sup>. We are very aware that because of Covid issues earlier in the year we have not had parents in the building as much as usual and you have not seen your children's work. Therefore, we wanted to provide an opportunity for you to look at your children's work with your children. This will run from pick up time 3.15pm until 4.30pm. This is not a parent's evening but very much a chance for you to look at your children's work with them and for them to explain and talk to you about their learning. If you are not able to attend this event, please know completed books will be sent home at the end of the school year.

### May 2022

Monday 9th	National Curriculum KS2 test week
Monday 16 <sup>th</sup>	National Curriculum KS1 test week
Wednesday 25 <sup>th</sup>	Open Classroom for parents to look at their children's work with their children 3.30-4.45pm
