Welcome to this' week newsletter. We hope you had a great Jubilee bank holiday weekend and half term break.

Thank you, Good bye and Good Luck:

Mrs Graham our school cook sadly leaves us today. Mrs Graham has been a super member of the team for the last three and half years and has always made life in the kitchen fun and enjoyable. Her enthusiasm and team work has been much appreciated, as has her passion for the children being happy and healthy. She leaves us with love and best wishes for the next chapter. Thank you and good luck Mrs Graham! We will miss you!

This week

It has been a super week in school with lots happening. Highlights and key events/include:

Our Year 1 pupils have been showing off their phonics confidence and knowledge in their Statutory Year 1 Phonics screening check with Miss Jackson. We are all super proud of them all!

On Thursday afternoon our school choir visited St Mary's church as Reverend Becky hosted a dementia friendly 'coffee and singalong', linked to the jubilee celebrations. Our pupils sang 2 of the songs we love from our Young Voices 2022 repertoire as well joining in with some all-time classics, including 'We'll Meet Again' and 'White cliffs of Dover'.

Thursday - Mrs Graham, Ms Daley and Ms Maer served lunch outside on Thursday for our 'teddy bear's picnic'. It was great to see so many children and teddies of all shapes, colours and sizes!

Today we have had our class photos taken in school.

On Monday in assembly we shared some of Carlton's Jubilee celebration competitions. Mrs Pierce helped promote, collate and collect the entries for the competitions and winners. Well done to all the winners and to everyone who entered.

Carlton Jubilee Children's Art Competition primary school winners.

May I bring to your attention to the fact that it is Our Summer Fayre on Father's day - Sunday 19th June – in just over a week. Mrs Pemberton and Mrs Peirce and the Friends of Carlton have a great

Kind request for support

On Friday 27th May, as part of our Selby Educational Trust development day we had a number of guest speakers address the trust team. Like so many of my colleagues, I was emotionally touched by the inspirational Pete McLeave telling his story.

I would welcome and encourage you all to take a few minutes to listen to his amazing story and hear about the action he is taking - you could literally save someone’s life! Please click the website below, listen to the story and consider whether you could sign up for a simple mouth swab to and register your stem cells , and by doing so could save someone’s life!

Having listened to Pete speak about this cause, I felt compelled to sign myself up straight away for a swab and also to do all I can to help spread his important message. I do hope you will able to support this issue.

Regards and best wishes
