Hello everyone and welcome to our weekly newsletter. And what an action packed week it has been this week – with Sunday's Summer Fayre, Sports day, and Year 2 and 3 Trip to Lotherton Hall all additional events this week. The summer term is always busy and this week has certainly been no exception.

This week's key highlights:

THANK YOU so much for the incredible way you have supported our school this week. You turned out in great number to our 2 big events: Sunday's Summer Fayre and Wednesday's Sport's day.

Summer Fayre. As I wrote on Monday, I was thrilled to hear that Friends of Carlton raised a staggering £2200. Please may I pass on a huge collective THANK YOU to everyone for supporting the event so generously.

All of the money raised is held by 'Friends' and is reinvested directly on the children in school, providing enhancements, treats and extra opportunities for all. It really was a lovely atmosphere and the weather was extremely kind to us! Well done all!

A HUGE THANKS too to Mrs Pemberton and Mrs Pierce, all of the Friends team, stall holders (children and external alike) and staff helpers for their time and effort too. Our year 5 and 6 stall holders had some great ideas and ran their stalls expertly.

On Wednesday we held our Sports day events and were delighted, after a Covid enforced break, to welcome families back as spectators. The weather was kind in many ways but actually, perhaps too hot! The joys of British weather! We had a huge turn out on both the morning and afternoon sessions and I know the children loved the experience of having a crowd cheering them on. Thank you again for your support.

We loved seeing the children all have lots of opportunities to compete against their peers.

The official results were

- Stapleton (Green) Team 129
- Beaumont (Yellow) Team 155
- Runners up: Howard (Red) 163
- Winners: Norfolk (Blue) 187

Well done to all of our competitors! Thank you Miss Jackson and the staff team for the efforts in making the sports day events so successful.

As I wrote yesterday, whilst the event is fresh in everyone's mind, I would like to take some feedback on this event. Please do spend a minute or two giving us feedback on our sports day event. Thanks to the many who have already done so. Feedback will help inform future events.

Important reminder: The lovely summer weather does make it even more important that children have their water bottle with them in school. Please support us in promoting good health by ensuring your child has their water bottle with them each and everyday. We also recommended that sun-cream is applied each day before school and where appropriate your child wears a cap/hat for school .

This weekend there is another local village event that we are happy to promote. Please see attached flyer for the **Village Hall's Bingo and Quiz night this Sunday (26th June 2022) at 6.30pm.**

Have a great weekend everyone. A heartfelt thank you for your support of our school!

Regards and best wishes
