Developing lively, inquiring and creative minds

Hello and welcome to our weekly newsletter.

Reflections on this week:

Another super week here at Carlton Primary with so much to be pleased with and proud of. Our week started on Sunday with a beautifully pitched Remembrance Day service in the village and ended with a super Children in Need fundraising day, with lots of other great teaching and learning in between; overall it has been an extremely positive week.

Children in Need: As of writing we have raised a pleasing **£183.30** for Children in Need today via our non-uniform day – thank you for your support with this. Pudsey and Blush say thank you! If that total increases I will update you next week!

We had an odd sock day this week as part of anti-bullying week! Some people got to do it twice Monday and Friday! Sorry for any confusion caused about the mis-communication of this.

In assembly and in class this week we have talked about ‘bullying’ and how we should ‘reach out’ if we see or hear it. We talked about **S.T.O.P.** – **Several Times On Purpose** as a handy explanation of what bullying is – there is a difference from falling out, having cross words, accidents and bullying. As always, we talked about our school rule of ‘**Be Kind**’. The children of our school know that we should be kind in all parts of life – at home and in school.

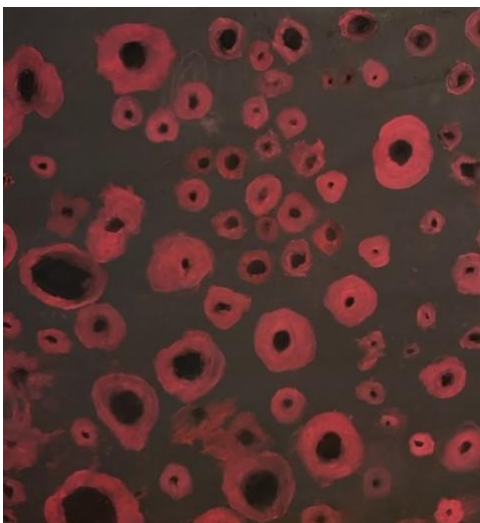

*‘In a world where you can be anything,
choose to **be kind!**’*

*‘If you can’t think of anything kind to
say, you are **not thinking hard enough!**’*

Remembrance Sunday:
The local community held the traditional Remembrance Service. It was lovely to see children (past and present) from Carlton in attendance.

Good to be Gold Celebration. This morning we held our first 'Good to be Gold' of the school year – this is part of our behaviour policy and a reward session when, as a school, we reach our 50 gold points for good behaviour. The children got to work with peers from other classes and choose 2 activities from a wide and varied list.

On Wednesday afternoon our Year 4 children (from Pumas and Lions classes) headed to have a Design and Technology (DT) session at Brayton Academy. Later in the Year our Year 5 will have the opportunity to attend a PE session and a Drama session. We thank Brayton academy for their collaboration and invite.

Next week:

World Cup 2022! Out of nowhere, it seems that the World Cup 2022 has crept up on us all and suddenly begins on Sunday and continues daily into next week. Like many other local schools, I have made the decision that we won't be watching the England match on Monday 21st November within the school day. Out of the 3 group games, this is the only game that falls within the school day. However, a decision, based primarily on the importance of curriculum time, as well as other

factors like internet speed for live streaming, I have reached the conclusion that on this occasion we will be no watching of the game in school. If it was knock out match later in the tournament I might have made a different decision. Highlights will be available or a record and watch back as live is a viable option. Thanks for your understanding with this matter.

Have a great weekend everyone. Thanks as ever for your interest and support of our school.

Regards and best wishes

Jon Watson
