Fantastic School

We are incredibly happy with the education and support our son receives. He is very happy here and has come out of his shell beautifully! Thank you for the time you give!

Honestly, couldn't be happier with this school – Truly amazing.

My daughter has medical needs and the school are great in helping her have the best education!

CPS puts my child's well-being and development first before academics but will strive for the best for my child academically.

My daughter has settled so well at the school. I could not be happier.

Each class xxxx has been in, the teacher and assistants have been amazing.

The school has been great development for our child. He is also excelling at home. I have recommended this school to a friend for 2 year's time.

xxxx hasn't been bullied but when she was struggling with another pupil's behaviour it was dealt with quickly and effectively. It's a brilliant school

This week:

- I have loved seeing the range of wider curriculum around school. There has been some wonderful yoga, fantastic painting and Dance to name just a few. Also, the joyous singing on Tuesdays in assembly and Young Voices after school club was so uplifting.
- NEU Strike: thank you for the kind and respectful way you have dealt with the NEU strike on Wednesday.
- Brayton PE lesson: On Tuesday 31st January our Y5 children had the opportunity to visit Brayton Academy for a PE afternoon. Children spent the afternoon taking part in various field and track events in the sports hall. The children loved having the chance to have a look around part of the high school and get a feel for what it would be like to attend. A great afternoon hosted by Brayton Academy and a fantastic time was had by all!

- Good to be Gold Celebration. On Thursday we enjoyed a super GTBG Celebration event – our third of the academic year so far, after reaching our target of 50 gold points.

Children got to work with peers from all year groups in activities of their choice – ranging from lego to outdoor games, from computing to percussion, dance to mindfulness, and many, many more. This celebration is part of our positive behaviour policy and routines and is a huge hit with the children.

A reminder that each Monday I send a ‘good to be gold’ Marvellous me to each and every pupil who demonstrated good behaviour choices the previous week and had no sanctions. Children with no sanction get to take part in the whole of the GTBG celebration events. Those with sanctions miss out on part of the reward time and take this opportunity to reflect on ways to make sure they don’t miss out next time round.

Upcoming important dates:

- Friday 10th February – Young Voices Concert at Sheffield Arena
- Thursday 2nd March - [World Book day Character dress up day](#)
- Wednesday 1st March at 5.00pm - [Parent Consultation for our Relationships and Sex education \(RSE\) and Personal Health Social Education policy.](#)

Communications Update: A reminder that from last Monday (30th January 2023) we have stopped using Parentmail as our platform to communicate with parents. This is because it does not connect with our student information management system. We are now using the ScholarPack app and you should have received an email with about how to set up your account.

Have a great weekend everyone! Thanks as ever for your support.

Regards and best wishes
