

PE	Year 4
Focus: OAA	
Age related OAA vocabulary	

Orienteer– to move a map so that it is facing the same direction you intend to travel	Navigate– to follow a map's directions
---	--

### Key Knowledge

- Think about how you can help your teammate when they are stuck
- Positive communication can help teammates succeed
- Calling teammate's names will help you. Give clear instructions to support
- Talk to each other before you set off to agree on roles. Be inclusive of your whole group.
- Rotate (orientate) the map depending on the direction of travel
- Use instructions/language which is clear and concise. Orientate the map into the direction in which you are facing at all times.
- Focus on remaining calm and being patient
- Emphasise the need to concentrate, match, be aware of your space and the objects
- Be aware of others whilst moving
- Communicate with your partner, check that they are ready to receive the ball before passing it
