

Weekly Bulletin

Term 3 Week 10 : Friday 30th June 2023

carltonprimary.setschools.uk

Developing lively, inquiring and creative minds

Welcome, as ever, to our weekly newsletter.

The last half term in school is always a very busy time, with completion of curriculum work, summer production, sports day, end of year reports and transition days as well as behind the scenes preparations being made for the forthcoming year. Suddenly we have only three weeks of term to go!

Last week:

We ended last week with our Sports Day on Friday 23rd June 2023. As you know we held Reception and KS1 's event in the morning, and KS2's in the afternoon. The weather stayed kind to us – not too hot and dry! Thank you so much to everyone who was able to come and support the children and attend the events. The staff team and children appreciated your attendance. We hope you enjoyed coming.

Sports Day Results

Congratulations to our Blue (Norfolk) team for winning the sports day

Team	Red	Blue	Yellow	Green
	Howard	Norfolk	Beaumont	Stapleton
Rec and KS1 (am) (Cheetahs , Jaguars and Leopards)	73	96	76	54
KS2 (pm) (Lions, Pumas and Tigers)	121	102	86	100
Whole School Total	194	198	162	154
Place	2nd	1st	3rd	4th

Well done to each and every competitor, and each of our 4 teams for their efforts, attitudes and sportsmanship.

Round the Field Year 5 and Year 6 event winners:

Congratulations to all who took part and to the 3 first across the line in this Carlton traditional end of sports day event.

- 1st Lucas S – Y6
- 2nd Oli – Y6
- 3rd Beth - Y6

This week:

- Our Pumas and Tigers rehearsals for the summer show are well and truly underway. There have been some lovely sounds around school of well sung catchy songs being sung!
- Our Year 6 pupils who will be moving to Snaith School have had their 3 days of transition (Wed, Thu and Fri). Those pupils moving to Holy Family Catholic High School or Brayton Academy have theirs at later point.
- Guest assemblies: This week we had 2 guest assemblies:
 - On Monday Reverend Becky part led our assembly and talked about how special our planet is ,how special animals are and how Christians believe in creation.
 - On Wednesday we had Sharon visit us again and lead our whole school assembly on the Jewish religion. Sharon visited our school earlier in the academic year to talk about the Jewish festival Hanukkah. This time it was a more general overview of the Jewish religion. The children were very interested and respectful in the information Sharon shared about what life is like as a Jew. She talked about the importance of candles as symbols of light, Shabbat, visiting a Synagogue, Torah (scroll), bar mitzvahs and much more. It was very informative and interesting.

- On Friday (today) we are holding our 6th 'Good to be Gold' celebration event, having reached our whole school target of 50 points for behaviour this week. It is superb to see that **91%** of the school took part in the full reward session – as they had shown consistently positive behaviour in the 6 weeks it took for us to reach our whole school target. As always children get to choose from a range of activities to enjoy as reward for their 'gold behaviour'.

A reminder of Classes for next year:

Last week I shared with you the class structure, names and allocated teachers for September 2023. I also shared this in assembly on Monday.

September 2023 Class Names and Teachers		
Rec	Ash	Mrs Smith
Y1	Beech	Miss Marshall
Y2	Hawthorne	Mrs Burton (and Mrs Reading)
Y3	Oak	Miss Gray
Y4	Pine	Mrs Reading & Mrs Short
Y5	Silver Birch	Miss Edenbrow
Y6	Willow	Mrs Jevens (& Mrs Short)

We will be holding 'move-up' mornings in school on **Friday 14th July 2** and **Monday 17th July 2023** when children will be getting the opportunity to spend time with their new class and teacher

Clubs finished! A reminder that clubs have now finished for this term – thanks to all of the staff who have facilitated a club and to all of the children who have signed up and participated.

Important information re National Education Union's Strike Action on Wednesday 5th July and Friday 7th July 2023. As previously stated, it is highly likely that the NEU strikes will result in **Carlton Primary School being closed for those two days.** I am sorry for the inconvenience this will cause.

As with previous strike days, we will again, if required, be providing support for vulnerable children and children of critical workers (NHS staff and other emergency services). Therefore, if your child has an Education Health Care Plan OR you are considered a critical worker as outlined above, AND have no alternative child care provision available to you please do get in touch with us.

If the strike is called off we of course will be open as usual. However, I need to stress that there has been no indication that the strike will be called off. I will of course keep you updated.

Tesco Community Grant : Carlton Primary School's Nature Garden Regeneration bid

Attention everyone who shops at Tesco! We are seeking financial support from the Tesco grant for our Nature Garden Regeneration. This project is to develop our outdoor area where children can explore wildlife and develop outdoor forest school skills, whilst also learning about growing food and produce.

I am delighted to share with you that our application to the Tesco Community Grants Scheme has been successful and our project will be put forward to a customer vote in Tesco stores. Voting will commence in store from the first week of July 2023 until the end of September 2023. Which Tesco stores?

- Selby, YO8 4QQ (Large store)
- Selby Brayton Exp, YO8 9EG (Small store)

The project with the highest number of votes across our region will receive £1,500 (or the amount that was requested up to this value), the second placed project £1,000 (or the amount that was requested up to this value), and the third placed project £500.

To vote, you will need to make a purchase within store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token

We would love you to vote for our Nature Garden project if you visit either of these Tesco stores! Thank you in advance.

[Reminder we need your plastic bottle tops!](#)

Please support our participation in the excellent '[SchoolCycled](#)' project. We would love you to all start collecting any bottle tops (milk, soft drinks, cordial, shampoo etc etc) and bring them into school. The more we collect the more goodies school received and the better it is for the environment!

Please save all of your plastic bottle tops – regardless of what product they are from – and bring them into school. Please also ask friends, family members and or neighbours to support us with this!

Website and twitter reminder: Check out our website and twitter feeds for photos and examples of what is happening in each class in school.

Have a good weekend! Thank you for your support of our school.

Regards and best wishes
Jon Watson
