Carlton Assessment Grid			
Success Criteria	Pupil Reflection		Teacher Assessment
I can locate different settlements on a map using an atlas	Before <input type="checkbox"/>	After <input type="checkbox"/>	
I can identify human and physical features of the UK	Before <input type="checkbox"/>	After <input type="checkbox"/>	
I can compare settlements using aerial photographs	Before <input type="checkbox"/>	After <input type="checkbox"/>	
I can explain why tourists choose to visit rural and urban areas	Before <input type="checkbox"/>	After <input type="checkbox"/>	

**Key Knowledge**

Settlements are places that people choose to live or settle. They vary in size and have different human and physical geographical features.

Early settlers chose where to settle or live based on physical geographical features such as rivers and good quality land.

<p><b><u>Hamlet</u></b></p> <p>Tiny settlement</p>	<p><b><u>Village</u></b></p> <p>Small settlement</p>	<p><b><u>Town</u></b></p> <p>Medium-sized settlement</p>	<p><b><u>City</u></b></p> <p>Large settlement</p>
