I can describe what happens in Hindu prayer	Before <input type="checkbox"/>	After <input type="checkbox"/>	
I can compare the words of three different prayers	Before <input type="checkbox"/>	After <input type="checkbox"/>	

Key Knowledge
<ul style="list-style-type: none"> • Muslim prayer: being clean, and in a clean place, facing Makkah, preparing the mind, praying alone or with others, using set words, body language. • Christian prayer: lighting candles, kneeling, open hands, incense, through music, through silence and meditation. • Hindu prayer: Hindus will have a shrine in their own home. Hindus treat the images of gods and goddesses like very special guests who are respected, cared for, talked to, offered food and kept clean.
