Term 3 Week 9 Friday 7th June 2024

carltonprimary.setschools.uk

Welcome as always to our weekly newsletter. I hope you had a great bank holiday weekend and half term break. This half term is always a really busy one with lots of things taking place. Hopefully we can all enjoy a super end to the academic year.

This week: It has been lovely seeing the children back in school this week.

As I walked around school on Monday morning there was so many great things underway, from practical science investigations in Pine class to clay art work in Silver Birch class. As always, such a lovely atmosphere in school which has continued throughout the week.

Breakfast with Friends!: What a lovely start we had to the week and half term thanks to our Friends! The breakfast morning was successful and well attended – thankfully the weather was also kind and people enjoyed their breakfast al fresco! Thank you to all who attended and thanks of course to Friends of Carlton team for organising and facilitating.

Leavers hoodies: On Tuesday our Year 6 pupils all received their 'Leavers Hoodies' to enjoy wearing in the final half term with us. They look great!

D Day Singalong celebration : This morning to mark the special 80th anniversary of D Day, we held a singing event for members of the local community. Our Key Stage 2 children enjoyed sharing and singing some war time classic songs. Thank you to those families who attended.

If, with your child, you would like to watch a child friendly/age appropriate video about D Day I suggest this is a good starting point: [BBC iPlayer - Newsround Specials - D-Day](#)

Next week – Assessments

Next week there are important assessment activities taking place. Before May half term Year 6 and then Year 2 did their National Curriculum tests. Next week our Year 4 pupils (Pine class) have to participate in the 'Times Table checking' exercise.

Similarly, our year 1 pupils and some of our Year 2 pupils are undertaking their Phonics screening check.

For more information about these important Primary Assessment activities please see the attached flyers / visit the link (in red) below. The link has information that explains what the phonics screening check is, how it is used and how parents and carers can support their child with phonics learning at home.

Next week:

- On Tuesday I am excited to be taking Year 6 to London on the train and to visit the Houses of Parliament
- On Wednesday we have our school photographers in school taking our class team photos
- Our Year 5 and 6 children continue their Thursday swimming lessons at Selby Leisure centre each and every week of this final half term

- Reminder : Next week (week beginning 10th June) is the last week of school clubs
Mrs Short and Mrs Sherwood's Exciting experiment /Science club is the only exception. This is because Mrs Short is not able to run her club next Thursday (13th) so therefore it will be rearranged for the following Thursday (20th) as she doesn't want her keen scientists to miss out!

Other Important News & Reminders:

- Changing Me – PSHE (Jigsaw lessons). As per our policy, curriculum plans, a reminder that in this final half term we are teaching the 'Changing me' unit from our Jigsaw programme. This unit involves age appropriate teaching about changes to the body.
- Website and twitter reminder: Check out our website and twitter feeds for photos and examples of what is happening in each class in school.

Out of school achievements. In our celebration assembly this afternoon I will enjoy sharing news about achievements both in out of school, with each class team awarding 2 or 3 'special mentions' for worthy winners. These are typically linked to our Carlton Skill Set or our 3 school rules.

We will also be sharing out of school achievements too, including:

- Jack S's (Y2) - Jack's football team (Thorpe Reds) won a football Gala last Saturday and he got a medal and trophy.
- Jack P (Y4) – Jack shared his football medals and trophies from his various teams and achievements!
- Abigail (Y4) – we celebrated the fact that Abigail has been awarded a Drama scholarship for a term!

Thanks as always for taking time to read this newsletter and for your support of our school.

Regards and best wishes

A Reminder we need your plastic bottle tops for our participation in the

excellent 'SchoolCycled' project.

A reminder that this is an ongoing project and we will be collecting bottle tops constantly each and every week.

We would love you to all keep collecting any bottle tops (milk, soft drinks, cordial, shampoo, toothpaste etc) and bring them into school. The more we collect the more goodies school received and the better it is for the environment! Please also ask friends, family members and or neighbours to support us with this! The more the better! Update: we have another 4 full boxes to send off – Great work everyone! Let's keep going!
